

**LISTING OF THE CLAIMS**

1. Claims 1-29 (cancelled)
30. (Withdrawn) A nucleic acid molecule comprising the polynucleotide sequence set forth in SEQ ID NO: 20.
31. (Withdrawn) A vector comprising the nucleic acid molecule of claim 30.
32. (Withdrawn) A mammalian host cell transformed to express the polynucleotide of SEQ ID NO: 20.
33. (Previously presented) A polypeptide comprising the amino acid sequence set forth in SEQ ID NO: 27.
34. (Withdrawn) An oligonucleotide having the sequence set forth in SEQ ID NO: 11.
35. (Withdrawn) An oligonucleotide having the sequence set forth in SEQ ID NO: 12.
36. (Withdrawn) An oligonucleotide having the sequence set forth in SEQ ID NO: 30 or SEQ ID NO: 31.
37. (Withdrawn) A polypeptide encoded by one of the oligonucleotides according to claim 36.
